Opening Prayer:
You may choose to open the service with:
- an informal prayer or
- a prayer from a book like “New Patterns for Worship”¹ that the congregation can say together.
- Alternatively you could a prayer like:

  Lord thank you that you are here with us.
  Make us aware of your presence as we worship You.
  Speak to us that we might know You better.
  Fill us again with Your Holy Spirit that we would live for Your glory.
  Amen,

Opening Songs:
A couple of songs to draw people into worship as per Appendix 1

Warm up:
You will need a bunch of green seedless grapes in a bowl and a bunch of red seedless grapes in a bowl. You will also need some green and red seedless grapes that you have allowed to go rotten and mouldy, in a bowl. Cover the bowls with foil until you are ready to use them. It would be helpful to PowerPoint a picture of a grape vine. (See Appendix 2)

Does anyone here like fruit?
- What is your favourite fruit? (Receive answers)

Who would like to be a fruit taster this morning? (Bring forward 2 children / people)
- I have three bowls of grapes here for you to taste and I would like you to tell me which grapes taste the best.
- Let’s begin with the green grapes. (Uncover the green grapes and let your tasters take a grape each and eat it)
- Do they taste good?

Now let’s try the red grapes. (Uncover the red grapes and let your tasters take a grape each and eat it)
- Do they taste good?

Now let’s try these other grapes. (Uncover the rotten grapes and see the reaction of the tasters)

Don’t you want to taste these grapes?
• Why not?
• I don’t blame you…..no-one wants to eat bad fruit do they?
• This fruit wouldn’t be a blessing to us would it?

So tasters, in your professional opinion, which grapes taste the best? (Receive answers)
• They are delicious aren’t they?
• This good fruit is a blessing to our bodies.
• Thank you for your help…..please sit down.

I wonder if any children know where grapes originally come from. (Receive answers)
• That’s right; they grow on a grapevine a bit like this. (Project a picture of a grapevine)
• The grapevine sends out branches and the grapes, which grow in clusters, hang down from the branches.

The grapevine was a very familiar sight in Jesus’ day.
• Jesus used the grapevine to teach us some very important things.
• Listen to this Bible reading.

Reading 1:
The reading is John 15:5-8 and could be dramatized – see Appendix 3. The rope² that you need for the dramatized reading will also be needed later on the service for the Response. Ensure that you buy a long enough piece of rope. (see Response section)

If you don’t wish to dramatize the reading it could be read by a child, young person or adult in a modern version of the Bible.

Link:
The first thing to say about the grapevine is that it was originally used as a symbol of the nation of Israel in the Old Testament.
• Israel, like a grapevine, was meant to be fruitful…bearing good fruit to bless others
• Israel was meant to show the world around them how good it was to live in relationship with God…..

But Israel failed to do this.
• At many points in their history they chose to turn away from relationship with God to worship idols made from wood and metal instead.
• At other times they kept God’s blessings strictly to themselves, refusing to share them.

So Jesus came…..leaving heaven to come to earth two thousand years ago.

Jesus told His followers that He was the true vine (John 15:1)…(Go and point to the rope)
• He was the source of life for people…..everlasting life…. (John 1:4)
• and they, His followers were the branches…..(Go and point to the 2 people holding the green thread and the grapes)
• called to bear good fruit to His Father’s glory. (Point to the grapes)

² You can purchase a piece of rope from ebay at www.ebay.co.uk
When we choose to follow Jesus, we too are drawn into a life-giving relationship with Him. ….(Point to the 2 people holding the green thread and the grapes)

- We are like branches that Jesus calls to bear good fruit…..(Point to the grapes)
- not fruit like green, red or black grapes,
- but the good fruit of living lives that honour Him….which we will discover a bit more about later. (Send the dramatized reading actors away as you move into the memory verse.)

Memory Verse:
The memory verse is John 15:5. You could present the memory verse using large (A4/A3 size) pieces of white paper/card on which are photocopied a bunch of grapes (picture in Appendix 4) and the words of the memory verse as shown below:

- Bunch of grapes 1: “I am the vine;
- Bunch of grapes 2: you are the branches.
- Bunch of grapes 3: If you remain in me
- Bunch of grapes 4: and I in you,
- Bunch of grapes 5: you will bear much fruit;
- Bunch of grapes 6: apart from me you can do
- Bunch of grapes 7: nothing.”
- Bunch of grapes 8: John chapter 15, verse 5

Song:
A song about Jesus being the source of life as per Appendix 1

Link:
We have said that Jesus calls us to bear good fruit,
- the fruit of living lives that honour Him.

But what exactly does that mean?
- What is the good fruit that God wants to see in our lives?
- Listen to this:

Reading 2:
The reading is Galatians 5:22-23 and could be read by a child, young person or adult in a modern version of the Bible.

Quiz:
You will need 9 pieces of A4/A3 white paper or card. On one side of each of the pieces of card photocopy a picture of grapes (see Appendix 4). On the other side of the card print in very small font the explanation of the fruit of the Spirit (as in Appendix 5) followed by the word describing the fruit of the spirit (in the largest font possible).

It would be helpful to PowerPoint all the nine fruit of the Spirit on a slide that can be seen during the quiz.

Invite 9 different people to come and stand at the front. Give each person one of your cards and invite them to read out their “fruit description” one at a time, asking the congregation to guess which fruit of the Spirit has been described. Once the fruit has been guessed, move on to the next card.
You could begin the quiz by saying something like:

In our reading we have just heard about nine different character qualities that St Paul calls “fruit of the Spirit.”

- This lovely fruit grows in our lives when we follow Jesus.

I need 9 people to come and help me now. (Give to each person a “fruit description” to read out)

- Each person here is going to read out a description of a fruit of the Spirit.
- You need to guess which fruit they are talking about.
- Let’s have our 1st description (Fruit of the Spirit description is read out as per Appendix 5)

Which fruit of the Spirit has just been described? (Receive answers)

- That’s right…..it is LOVE (Hand card with the picture of the grapes and the word “LOVE” to the reader to hold up)
- Let’s move on to the next one. (Continue until all 9 fruit of the Spirit have been described and guessed)

I wonder which fruit of the Spirit you need God to grow more fully in your life.

- Thank you everyone ….please sit down.

Talk 1:

It would be helpful to project a picture of a grape vine (see Appendix 2) and a dead branch at the relevant points.

God wants to grow good fruit in our lives,

- because His purpose for our lives is to make us more and more like Jesus (Romans 8:29)

When we think about the fruit of the Spirit, we see all of it in Jesus’ character don’t we?

- Jesus is love, pure love.
- He is full of joy, peace and patience.
- Jesus is kind, good and faithful.
- He is full of gentleness and self-control.

If we are to become like Jesus and bear this good fruit of the Spirit,

- Jesus says that we need to stay connected to Him.
- That makes sense doesn’t it?

On a grapevine, the branch that is connected to the vine bears fruit because it is connected to the source of life, (Show the picture of the vine in Appendix 2)

- and so it will get all the water and the nutrients that it needs.
- In due course fruit will appear naturally.

It is the same with us.

- When we are connected to Jesus, the source of life, the Holy Spirit will fill our lives and in due course good fruit will appear naturally,
- without us needing to struggle and strive.
However, Jesus also talked about branches that didn’t stay connected to the vine.
- He said that these branches would bear no fruit.
- That also makes sense doesn’t it? *(Project a picture of a dead branch)*

A branch separated from the source of life cannot produce good fruit, no matter how hard it tries to.
- On our own, without being connected to Jesus, we cannot be consistently patient and kind, at peace and full of joy.
- We need the powerful Holy Spirit within us if we are going to bear good fruit.

So can I encourage you today to **stay connected** to Jesus,
- and you will then bear good fruit that will bring Him glory.

**Confession:**
Lead into a Confession prayer. This could be:
- an informal Confession prayer led by the service leader or
- a Confession prayer from a book like “New Patterns for Worship” that the congregation can say together,
- or the following prayer:

  Earlier in the service when our grape tasters tasted the different grapes, they didn’t want to taste the rotten grapes,
  - because they knew that they would be bad for them.

When we sin and do the things that God doesn’t want us to do, it is like we are bearing rotten fruit that it bad for us and for those around us.
- Let’s turn to Father God and ask Him to forgive us now.

  **Father God,**
  **Please forgive us when we have chosen:**
  - to hate instead of loving others,
  - to grumble instead of giving thanks,
  - to be irritable instead of showing patience,
  - to be unkind instead of showing kindness,
  - to be drawn to bad things instead of doing good,
  - to be unfaithful instead of being faithful,
  - to be rough instead of being gentle and
  - to be greedy and selfish instead of showing self-control.

  We turn away from these wrong attitudes and ask that You help us to stay connected to Jesus.
  **Please fill us again with Your peace. Amen.**

Follow this with a prayer of Absolution.

**Song:**
A song of worship as per Appendix 1

**Memory verse:**
Repeat the memory verse John 15:5 a couple of times using pictures of a bunch of grapes
We have said that if we are going to bear the good fruit of the Holy Spirit then we need to stay connected to Jesus, so how do we do that? The answer is very simple. **Spend time with Him.**

- In all of our relationships be it with members of our family, or friends or neighbours,
- we need to give them time don’t we, so that we can get to know them?

Nowadays there are lots of ways of staying connected with people aren’t there?

- We may speak with them face to face,
- or chat with them on the telephone.
- We might send them a message or a text or an email or social media.

One of the gifts that we have been given to be able to stay connected to Jesus is the gift of Prayer.

**Film:**

You may choose to show a simple animated film about prayer at this point in the service. There are a couple on YouTube that would be suitable. The 1st film is called “Prayer” (1.46 minutes long) and you can find it by putting the words, “kore roots prayer” into the search bar. The 2nd film is called “Prayer – What is Prayer?” (2.30 minutes long) and you can find it by putting the words, “what is prayer” into the search bar.

**Talk 2:**

So can I encourage you to stay connected to Jesus. Spend time with Him.

- If you don’t already have a special time when you spend time with Him, think about what would work for you.

And as well as making a special time to give your full attention to Jesus,

- try and find ways each day to stop for a moment and be aware of His presence with you.

You might put on a worship CD as you make a journey in the car,

- or put a reminder on your phone to stop and pray for a few minutes at midday.
- You might bring to mind three things that you want to thank God for as you walk to school or to work,
- or ask Jesus to clothe you with His love as you get dressed in the morning.

The important thing is that you stay connected to Jesus.

And of course we don’t simply talk to Jesus we also need to listen to what He says as well so that we get to know Him better.

- One of the best ways of doing that is through reading our Bibles each day.
- If you don’t already have a Bible, do go and buy one or download one onto your phone.
- It is the most important book that you will ever read in your life!
If you and I stay connected to Jesus, we will bear the good fruit of the Holy Spirit that we have heard about today.

Response:
For the response you will need a long piece of rope (see details under “Reading 1”). The rope needs to be long enough that it can be stretched out down the centre aisle of your church. You will also need a 0.5m length of green 2mm satin cord thread for each member of the congregation. You could say something like.

Some of you here today will already know Jesus well and spend time with Him each day.
- Others of you will have known Jesus well in the past but have drifted away from Him.
- Others of you will not really know Jesus at all…..and feel completely disconnected from Him.

This rope (Show the rope), which we are going to stretch down the church now (have 2 people holding either end)
- is to remind us of Jesus, the Vine.

We are going to pass around some pieces of green thread now and I would like you to take one piece each. (Pass around pieces of green thread so that every person has one each)
- The piece of thread that you have been given reminds us that Jesus chooses each one of us to know Him and to follow Him…..
- To be like a branch.

As we sing our next song together, can I encourage you to come and tie your piece of green thread onto the rope as a way of you saying to Jesus:
- I want to know You better…..
- I want to be connected to You Jesus….
- I want to bear good fruit in my life.

Once you have tied your thread onto the rope, go back to your place.

Songs:
Song/s about staying close to Jesus as per Appendix 1

Memory verse:
Repeat the memory verse John 15:5 a couple of times from memory.

Prayers:
As this is quite a long service you may simply wish to say the Lord’s Prayer together or pray very simply, something like:

1) Praying that we, Jesus’ followers will stay connected to Him with the response:
   Jesus You are the vine. Help us stay connected to you.

4 You can purchase the light green thread from ebay at www.ebay.co.uk by putting “100yd/92 Metre Roll 2MM Rattail Satin Cord Thread” into the search bar.

© Jane Hulme 2017
2) Praying for Jesus’ followers who are sick or going through other hard times with the response:
   Jesus You are the vine. **Help them stay connected to you.**

3) Praying for people who don’t yet know Jesus with the response:
   Jesus You are the vine. **Help them to become connected to you.**

End with the Lord’s Prayer

**Summary:**
Summarize the teaching points of the service ie:

- Jesus said that He is The Vine, in other words our source of life.
- Followers of Jesus are like the branches on a vine that are called to bear good fruit.
- The good fruit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.
- If we are going to bear good fruit we need to stay connected to Jesus, for without Him we can do nothing.
- We stay connected to Jesus through prayer and Bible reading amongst other things.

**Final Song:**
Lead into the final songs as per Appendix 1

**Blessing:**
Pray a simple prayer to end the service something like:
   Jesus, You are The Vine and we are the branches.
   Help us to stay connected to you each day.
   And the blessing of God Almighty, the Father, the Son and the Holy Spirit be among you and remain with you always. Amen.

**Notices:** If your church gives out verbal notices my suggestion is that you do that just before the final song. That way the flow of worship is unbroken]

**Takeaway:**
At the end of the service you could give people the “Fruit of the Spirit” prayer to take away with them. This can be found in Appendix 6

Appendix 2 – Picture for “Warm-up”

A Grapevine
 Appendix 3 – Dramatized Reading - John 15:5-8

Cast: Narrator (Jesus), Father God, 2 people who are fruitful branches, 2 people who are unfruitful branches, 2 people to hold either end of the rope.

Props: A long piece of rope (eg 4m) and 2 bunches of grapes.

Staging: The dramatized reading is a narrated mime so there are no words to learn. The narrator reads the words of John 15:5-8 and waits as the various mimes take place. If possible, the 4 people acting as branches wear a green t-shirt or green tabard, but this isn’t essential. The grapes for 2 of the 4 people need to be within easy reach to pick up at the appropriate place.

(Enter Narrator who stands to one side at the front of the church)

Narrator: Jesus said: I am the vine.

(Enter two people carrying a length of rope. They unravel the rope across the front of the church. Then one person sits down holding the rope near the floor, whilst the other person holds the rope up high.)

You are the branches.

(Enter four people dressed in green tops. The four people spread themselves along either side of the length of rope and hold onto it with one hand.)

If you remain in me and I in you, you will bear much fruit

(Two of the four people receive a bunch of grapes and hold them in their free hand)

Apart from me you can do nothing.

(The other two people let go of the rope and so have both hands free)

If you do not remain in me, you are like a branch that is thrown away and withers.

(The two people who have let go of the rope shrink down to the floor)

Such branches are picked up, thrown into the fire and burned.

(Enter Father God, who “picks up” the two people who have shrunk to the floor and moves them away from the vine. They lie down still. Exit Father God)

If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you. This is to my Father’s glory, that you bear much fruit, showing yourselves to be my disciples.

(Everyone stays where they are until the end of the short talk that follows this dramatized reading)
