## SHORT TALK: “DELIGHTING JESUS’ HEART”

- Aim of Short talk:** To encourage people to delight Jesus’ heart by willingly responding to the simple needs of those who come across their path.
- Use of Short talk:** This is a short All Age talk picking out one issue from the Lectionary Gospel reading of the Sunday main service. The talk stands alone and assumes that the Gospel Bible reading may not yet have been read to the congregation. It could be used for example, for the whole congregation before the children go out to their age specific groups, leaving the adults with a full sermon later.
- Main themes:** Loving others, Loving Jesus, Serving
- Biblical references:** Matthew 25:31-46
- Lectionary:** Year A – Proper 29, CW Christ the King, The Sunday next before Advent
- Props:** Table with 2 chairs behind it facing the congregation. On top of the table is a lunch box with a cheese sandwich, an apple and a banana and a chocolate biscuit.
- Before the service:** Before the service begins arrange for someone to come forward and join you at the table to share your packed lunch when you say: *“A person comes and sits next to you.”*

.....

Some of you may have heard the recent news story about a 16 year old girl called India who missed her train home to Bristol after visiting friends in Stockport.

- This was India’s first big train journey travelling on her own, and although she arrived at the station half an hour before the train was due to leave, somehow she managed to miss it.

When India went to the ticket office to see if she could use her ticket on the next train, she was told that she couldn’t use her ticket.

- So this 16 year old girl was stranded nearly 200 miles from home, needing £85 to buy another train ticket when she only had £15 of money on her.
- What could she do?

I expect that India must have felt very worried and possibly quite frightened.

But there was someone who saw India’s need.

- A lady who was travelling with her children saw what had happened and paid the £85 needed to get India a train ticket home.
- What an act of generous love.

This lady didn’t even leave her name with India so that India could send her back the money when she got back home.....

- The ticket was a gift of love.

Now if you were India's mum or dad how do you think you would feel about the lady who helped India? *(Receive answers)*

- I think you would feel very grateful to her wouldn't you?

Not only that but I think that you would also have felt really delighted that someone had been so kind to your child.

God is no different.

- One of the ways that we can delight Jesus' heart is by helping His children when they are in need,
- and the sorts of things that Jesus asks us to do are often really simple things.

For example, imagine that you are at school or college or work one day and you have sat down to eat your packed lunch *(Sit down at the table, pull out lunch box and open)*

- A person comes and sits next to you.....*(Wait for the volunteer you briefed earlier to come and sit with you).*

Now *N* (name of volunteer) tells you that they have forgotten their lunch today, and that they are starving hungry.

- What could you do to help? *(Receive answers)*

You could share your lunch with that person couldn't you.....giving the hungry person something to eat.

- *(Addressing the volunteer)* So you can have half of my sandwich *(break sandwich in half and give half to the volunteer)*
- Would you like the apple or the banana? *(give either apple or banana to the volunteer)*
- You can have half of my biscuit *(break biscuit in half and give half to the volunteer)*
- That wasn't too difficult was it and what we have just done has delighted Jesus' heart because we have shown practical love to one of His children.

There are many other simple ways we can offer help to other people, as well as feeding them when they are hungry.

- What simple things do you think we can do to help other people? *(Receive answers and include things like: giving a drink to someone who is thirsty, giving away an item of clothing to someone who needs it, visiting someone who is in hospital, welcoming someone who is from a different country etc)*

Jesus said this: *"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."* (Matthew 25:40)

- Isn't that amazing?
- Jesus says that whenever we help someone in need, we are actually doing it for him.
- We are delighting His heart.
- Let's see how many ways we can delight His heart this week.
